The Starfish and the Spider - WikiLeaks

In the The Starfish and the Spider, entrepreneurs Ori Brafman and Rod Beckstrom argue that organizations fall into two categories: traditional “spiders,” which have a rigid hierarchy and a top-down organization, and revolutionary “starfish,” which rely on the power of peer relationships

Book Review: What I Learned from the Starfish and the Spider

The Starfish and The Spider: The Unstoppable Power of Leaderless Organizations is about how the internet gave life to new business opportunities The book highlights great examples of long-established, traditional companies that failed to prepare for the changes the internet would pose to their bottom lines I have always thought of the Army as

The Starfish and the Spider - Faith2Share

a starfish is similar to a spider in appearance But the starfish is decentralized The starfish doesn't have a head The major organs are replicated throughout each arm In reality, a starfish is a neural network -- basically a network of cells Instead of having a head, like a spider, the starfish functions as a decentralized network

The Starfish and the Spider

Starfish and the Spider I had the privilege of attending the initial course and found it incredibly valuable It was the best leadership training I have experienced since completing Ranger School in 1997 One of the primary reasons the course was so beneficial is that we learned about and experienced the December 2010 ARMY 51
